#### **COMPETITION**

Our biggest direct competitor is Jellyfish. Other direct competitors are fairly new to the industry. We will also have indirect competition with Christmas light companies which are companies that offer the hanging and taking down of Christmas and holiday lights as a service. This will include landscape lighting companies as well.

#### **DIFFERENTIATION**

What makes us different from our competition is that we offer a permanent HOA-friendly, smart-technology lighting solution. We also focus on community by truly giving a personal experience for our customers. Our focus isn't just on advancing technology, but providing our customers with something they truly love and enjoy.
